first Emergency War Surgery Handbook, familiarly known as the NATO Handbook. This was the product of a committee of the surgical consultants of the United Kingdom, France, and the United States (US), chaired by Brigadier General Sam E Seeley of the United States. In 1958, the handbook was issued in the United States following suitable amendments.

EMERGENCY WAR SURGERY - Modern Survival Online

Abstract : War surgery, and treatment of combat casualties at far forward locations and frequently under austere conditions, continue to save lives military medical personnel provide outstanding health support to those serving in harm's way. As the face of war continues to evolve, so must the practice of medicine, to support those who so selflessly fight the global war on terrorism, Today, American military men and women face a new terrain of mobile urban terrorism and conflict.
