This can make the edge, or "lining"™, of the cloud appear a silver colour, much brighter and lighter than the rest of the cloud. As dark clouds can have a "silver lining"™, equally, when life seems bad, there is always a more positive way of looking at the situation.

### **Every Cloud has a Silver Lining - Bloomsbury International**

The proverb Every cloud has a silver lining means that even in our darkest times, there is some good that comes out of it. Even the worst situation has some benefit. However in asking, whether it is always true - maybe we are confusing a popular adage with laws of nature.
