Jesus promised us we would have greater abilities than He yet we suffer with spiritual entropy. We have been taught to praise and not raise our consciousness. This means activating dormant spiritual abilities where we could see demons from afar. If you are attending a church and your Pastor can not walk on water, or replicate matter, or ascend . . .

Walking Among Us is a chronicle of human experience that contradicts every current theory about the universe that we think we live in. Jacobsâ€™ human observers have experienced a concealed reality that is literally next door to some of us, and that he believes is about to interact, secretly and insidiously, with the rest of us.
