Farmer's Handbook on Basic Agriculture Acknowledgement Higher demand for agricultural raw material is now anticipated and agriculture is not any more about producing farm products and selling them exclusively at the local market. Instead farmers today have a world market to serve. But the new chances bring new challenges.

Farmer's Handbook on Basic Agriculture - MANAGE

Instead, we're talking to our customers and field employees, many farmers and ranchers themselves. We're building farmers.gov around those ideas, adding small content and features often for the greatest immediate value. Right now, farmers.gov has wide open space, a few fence posts and a little know-how.
