Fine Art NOTES - Redlands Camera Club

In contrast to low-key images, high-key photography tends to produce more positive and eye-catching results, rather than the dark and moody low-key look. High-key images don't have to be on white though. This is an example of a portrait where I wanted to retain the colour & tone of the sky. ... Fine Art Nature Photography

This is in direct opposition to documentary photography fields, like standard photojournalism, which acts more as visual report, recording the scene without manipulation. Fine art photographers are artists who use photography as a medium, either on its own or incorporated into their artwork through collage.
