addressing infant mortality problems in your community may be challenging, but it is one of the most important things that can be done to improve the health of your population.

### **Why Focus on Infant Mortality? Infant Mortality Seems to**

Focus is the key to productivity because saying no to every other option unlocks your ability to accomplish the one thing that is left. Now for the important question: What can we do to focus on the things that matter and ignore the things that don't? Before we talk about how to get started, let's pause for just a second.

### **Focus: A Brief Guide on How to Improve Focus and Concentration**

If you're a manager, don't focus on the 20 percent of top performers on your team at the expense of the other 80 percent. You are responsible for increasing the number of top performers, not just assessing and potentially eliminating those who are poor performers.
