

### **folk lore and fable pdf**

Overview. To fully understand folklore, it is helpful to clarify its component parts: the terms folk and lore. It is well-documented that the term was coined in 1845 by the Englishman William Thoms. He fabricated it to replace the contemporary terminology of "popular antiquities" or "popular literature".

### **Folklore - Wikipedia**

John Henry is an African American folk hero. He is said to have worked as a "steel-driving man" — a man tasked with hammering a steel drill into rock to make holes for explosives to blast the rock in constructing a railroad tunnel.

**FABLE:** A brief story illustrating human tendencies through animal characters. Unlike the parables, fables often include talking animals or animated objects as the principal characters.
