need to educate for human rights and global citizenship. The chapters contained in this book reflect the struggles and complexity of various projects linked to the universal struggle for human rights based on human dignity, and their themes, while not exhaustive, speak to some of the most important areas of human rights and global citizenship.

Educating for Human Rights and Global Citizenship

Major Challenges to the Effective Management of Human Resource Training and Development Activities 13 At the other extreme, some theorists have posited that human resources'™ level of education is interrelated with communication and language (see for example, Desimone et al, 2002; Alzalabani, 2002; Chermack et al, 2003).
