Honda HT-R3009 SA - Honda Riding Mower, Made in Japan, SN

I was given a honda ht r 3009 riding mower. There is a small hose from the carb to a part called the gas catcher. When I open the valve to allow fuel to the carb it goes through to this part, wich is mounted on the frame close to the carb. there is a nipple for another hose on it, but no hose. Also, there is a hole in the bottom of the gas catcher.
