Super nice for the price. Love the finish on this, looks way better than the grey finish from the other double din dash kit. I installed this in my EVO 8, had to do some cutting to get the a/c controls to fit but it looks really clean and factory looking afterwards.

In all probability it will come with a 2.0L unit (4B11) as the Lancer. In Europe it comes with a 1.8L but I don't think the public here would like to see that engine in a car of this size.
