HEALTH CARE SYSTEMS: GETTING MORE VALUE FOR MONEY - OECD.org

Immigrant health care in the United States is distinct from citizen health care given the context of various social and economic factors as well as implemented health policies. Consequently, in addition to managing the physical and emotional strains of making a cultural transition, immigrant families find themselves in an increasingly hostile social and political environment.

Immigrant health care in the United States - Wikipedia

There were a number of different health care reforms proposed during the Obama administration. Key reforms address cost and coverage and include obesity, prevention and treatment of chronic conditions, defensive medicine or tort reform, incentives that reward more care instead of better care, redundant payment systems, tax policy, rationing, a shortage of doctors and nurses, intervention vs ...
