Students who are preparing to specialize as rehabilitation counselors will demonstrate the knowledge, skills, and attitudes necessary to address varied issues within the rehabilitation counseling context.

SECTION 5: ENTRY-LEVEL SPECIALTY AREAS â€“ REHABILITATION

A mental health professional is a health care practitioner or community services provider who offers services for the purpose of improving an individual's mental health or to treat mental disorders. This broad category was developed as a name for community personnel who worked in the new community mental health agencies begun in the 1970s to assist individuals moving from state hospitals, to ...
