Virtue (Latin: virtus, Ancient Greek: ἀρετή, "arete") is moral excellence. A virtue is a trait or quality that is deemed to be morally good and thus is valued as a foundation of principle and good moral being. Personal virtues are characteristics valued as promoting collective and individual greatness. In other words, it is a behavior that shows high moral standards.

If there were such a society in existence and you or I visited it, I think we should come away with a curious impression. We should feel that its economic life was very socialistic and, in that sense, "advanced," but that its family life and its code of manners were rather old-fashioned-perhaps even ceremonious and aristocratic.
