Religion and morality. Iâ€™m afraid that poor Washington would have a difficult time capturing the electoral vote today, despite having one of the most well-known names in American history. Iâ€™m afraid that poor Washington would have a difficult time capturing the electoral vote today, despite having one of the most well-known names in ...

Religion and Morality: Politics According to George
Morality is nothing more nor less than God's pronouncements, commands and attitudes. In short, if an action is right, it is right because God commands it. C. Two Meta-ethical Perspectives on Divine Command Theory 3. The Weak Form: Things are good or actions are right on independent grounds from God's commandments.

Religion and Morality - UMass
political affirmation of a religious sexual morality and the idea of a national government that is inclined to the interests of all its citizens despite their religious confessions. 2.

Sexuality, Religion and Politics in Brazil: The Moral
strongly religious societies can have relatively secular polities and weakly religious societies can have their polities dominated by religion. The point is that it is desirable for all to move, in the long run, towards a separation of religion and politics.
