Law reports or reporters are series of books that contain judicial opinions from a selection of case law decided by courts. When a particular judicial opinion is referenced, the law report series in which the opinion is printed will determine the case citation format. In the United States, the term reporter was originally used to refer to the individual persons who actually compile, edit, and ...

Poisoned candy myths are urban legends about malevolent strangers hiding poisons or sharp objects such as razor blades, needles, or broken glass in candy and distributing the candy in order to harm random children, especially during Halloween trick-or-treating. These stories serve as modern cautionary tales to children and parents. These stories repeat two themes that are common in urban ...
