Social marketing is the use of marketing theory, skills and practices to achieve social change. It has the primary goal of achieving "social good". Traditional commercial marketing aims are primarily financial, though they can have positive social affects as well. In the context of public health, social marketing would promote general health, raise awareness and induce changes in behaviour.

Psychohistory is a fictional science in Isaac Asimov's Foundation universe which combines history, sociology, and mathematical statistics to make general predictions about the future behavior of very large groups of people, such as the Galactic Empire. It was first introduced in the four short stories (1942-1944) which would later be collected as the 1951 novel Foundation
