

rise of conservatism in pdf

Conservatism is a political and social philosophy promoting traditional social institutions in the context of culture and civilization. The central tenets of conservatism include tradition, human imperfection, organic society, hierarchy, authority, and property rights. Conservatives seek to preserve a range of institutions such as monarchy, religion, parliamentary government, and property ...

Conservatism - Wikipedia

One-nation conservatism (also known as one-nationism, or Tory democracy) is a form of British political conservatism advocating preservation of established institutions and traditional principles combined with political democracy, and a social and economic programme designed to benefit the common man. This political philosophy views society as organic and values paternalism and pragmatism.
