

running costs of motor pdf

Driving costs fall into two broad groups: Standing charges – costs related to owning a car and keeping it available to use. You have to pay these whether you use the car or not.

Car running costs | AA

The car internal costs are all the costs consumers pay to afford owning and running a car. Normally these private expenditures are divided by fixed or standing costs and variable or running costs. Fixed costs are those ones which do not depend on the distance travelled by the vehicle and which the owner must pay to keep the vehicle ready for use on the road, like insurance or road taxes.
