12 Rules for Life is a collection of life principles that, if followed, are meant to improve your life. It reached the #1 spot on Amazon's bestsellers list, and clearly it resonates with a lot of people. Its author (Jordan Peterson, a clinical psychologist and U Toronto professor) argues that modern secularism and reliance on science has left a void in answers to important existential ...

A suicide attack is any violent attack in which the attacker expects their own death as a direct result of the method used to harm, damage or destroy the target. Suicide attacks have occurred throughout history, often as part of a military campaign such as the Japanese kamikaze pilots of World War II, and more recently as part of terrorist campaigns, such as the September 11 attacks.
