As a follow-up to Tuesday's post about the majority-minority public schools in Oslo, the following brief account reports the latest statistics on the cultural enrichment of schools in Austria. Vienna is the most fully enriched location, and seems to be in roughly the same situation as Oslo. Many thanks to Hermes for the translation from Unzensuriert.at:

Few days ago I went to get a new car insurance from AXA and found out that beside other documents, certificate of National Address is also required. After searching about it on google I came to know that National Address is a project started by Saudi Post to transform the old way of descriptive address to the digital ones.
