Book burning is the ritual destruction by fire of books or other written materials, usually carried out in a public context. The burning of books represents an element of censorship and usually proceeds from a cultural, religious, or political opposition to the materials in question.. In some cases, the destroyed works are irreplaceable and their burning constitutes a severe loss to cultural ...

Hill: Everything's changing.A little while ago, most people went to bed thinking that the craziest thing in the world was a billionaire in a flying metal suit.Then aliens invade New York then were beaten back by, among others, a giant green monster, a costumed hero from the 40's, and a god. Ward: I don't think Thor's technically a god. Hill: Well, you haven't been near his arms.
