Find a Science Fair Project Idea. Looking for inspiration for a science fair project? Science Buddies has over 1,150 Project Ideas in all areas of science. The Topic Selection Wizard tool can help you find a project you will enjoy!

Science Fair Project Ideas, Answers, & Tools

Science in a broad sense existed before the modern era and in many historical civilizations. Modern science is distinct in its approach and successful in its results, so it now defines what science is in the strictest sense of the term. Science in its original sense was a word for a type of knowledge, rather than a specialized word for the pursuit of such knowledge. In particular, it was the ...

Science - Wikipedia

The scientific method is the process by which science is carried out. As in other areas of inquiry, science (through the scientific method) can build on previous knowledge and develop a more sophisticated understanding of its topics of study over time.

Scientific method - Wikipedia
