Second-language acquisition (SLA), second-language learning, or L2 (language 2) acquisition, is the process by which people learn a second language. Second-language acquisition is also the scientific discipline devoted to studying that process. The field of second-language acquisition is a subdiscipline of applied linguistics, but also receives research attention from a variety of other ...

Second-language acquisition - Wikipedia

For the second-language learner, the acquisition of meaning is arguably the most important task. Meaning it is the heart of a language, not the exotic sounds or elegant sentence structure.
