Jet Ski is the brand name of a personal water craft (PWC) manufactured by Kawasaki, a Japanese company. The term is often used generically to refer to any type of personal watercraft used mainly for recreation, and it is also used as a verb to describe the use of any type of PWC.. A runabout style PWC typically carries 1-3 people seated in a configuration like a typical bicycle or motorcycle.

Furano is one of Japan's most famous ski resorts, although relatively little is known about it outside of Japan. Situated in the middle of Hokkaido, Japan's northernmost island, Furano benefits from Siberian storm systems that pass over the Sea of Japan and then dump the lightest and driest snow in all of Hokkaido - and 9 meters of it each season.
